

Creating a “My Dynacal” Custom Calendar

With My DynaCal you can create customized views of the events, activities, news and assignments that you're interested in! Then, request Email Alerts, Text Alerts, subscribe to a RSS feed, or subscribe from your personal calendar (Google, Mac iCal, Trumba, Outlook 2007 or any other personal calendar that offers subscription capability).

Visit the school district’s website at www.nhsd.net.

Choose the “Administration” tab, and select “Facilities Services” from the drop down list. On this screen will be the link to access the DynaCal program.

This is the public calendar. Choose “My DynaCal” from the list on the left.

Last Name:

Receive messages for the following actions:

Add Send Text Alerts to Alltel ▼

Cancel/Postpone/Reschedule Send Email Alerts to

Date/Time/Location change * Changing this email address will change your account email address also.

You can receive reminders about Announcements and Assignments that are included on calendars either:

As they are posted to the calendar

Days Before

You may also choose to have reminder notifications as well. When you are done, click “Update.”

At the bottom of the screen, you will see the calendar views area. Below that is where you can click to add a new calendar. You can choose what you would like to call your views. If you have children in different buildings, you might choose to use their names. Follow just the items that you want to see.
