Lasermania

When it's time to just rock-out and have a good time, Lasermania is the ticket. Enjoy a pure sensory adrenaline rush with a collection of the most current rock and pop hits available.

Laser Beatles

The Beatles never looked so good. Whether in the mood for a mind-warping ride on a yellow submarine or just looking for an excuse to twist and shout, this show has something for everyone. 15 classics!

Laser Pink Floyd

Laser Pink Floyd is the ultimate fusion of classic rock music and dancing coherent light. Embark on an out-of-body experience as dazzling lasers visually interpret 45 minutes of Floyd's best musical journeys.

Laser U2

Be immersed into some of the most influential rock and roll of the last generation courtesy of the boys from Dublin. Laser U2 is a techno-fusion of laser light and mainstream rock with a hint of blues and punk.

Laser Led Zeppelin

Get the Led out as lasers weave a monolithic Zeppelin experience for die-hards that is a feast for both eyes and ears. Transcend time and space with laserized versions of classic Zeppelin.

** Bring this flier for a special FAMILY price - \$20.00 for a family of two parents and their own children.
