

## Section: Narratives - Needs Assessment

### Introduction

In accordance with the American Rescue Plan (ARP) Act and Pennsylvania Act 24 of 2021 (Act 24), the Pennsylvania Department of Education (PDE) will award approximately \$ 249,848,000 or five percent (5%) of Pennsylvania's ARP Elementary and Secondary School Education Relief (ESSER) State Reserve funds to school districts, charter schools and cyber charter schools (collectively, LEAs) = to implement evidence-based interventions that address learning loss in response to the academic, social, emotional and mental health needs of students and subgroups of students impacted by COVID-19 public health emergency that supplement school programs and activities.

Act 24 requires that LEAs, at a minimum, use the funds they are awarded under this subgrant in the following ways: .

### Percentage of LEA Allocation - Required Activities

**30% - To address the social, emotional and mental health needs of students**

**10% - To provide professional development and technical assistance to educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students.**

**8% - To address reading remediation and improvement for students**

The remaining allocation may be used by the LEA to address and/or supplement other areas of learning loss caused by the pandemic.

Act 24 also requires that, when available, existing personnel shall be utilized by school districts, charter schools and cyber charter schools to staff programs and activities established with these grant funds.

Within 90 days of receipt of these allocations, school districts, charter schools and cyber charter schools must submit a three-part plan to PDE, that outlines the proposed use of the grant money, itemized by program and activity. This plan is part of a consolidated application that includes after-school programming, summer activities, and a comprehensive plan to address learning loss. The plan shall include:

- 1) A description of each program and activity
- 2) A narrative outlining the expected benefit of each program and activity
- 3) A budget for each program and activity detailing personnel and operating costs.

Through this grant application, LEAs will meet their requirement of developing a three-part plan, including describing their planned programming, a narrative outlining the expected benefit of each program and activity, as well as an overview of how the LEA determined the areas of need to be addressed, including the use of stakeholder feedback.

PDE has developed the Accelerated Learning Toolkit, a significant cadre of resources and trainings, to support LEAs in the development of their plans. The Accelerated Learning Toolkit can be found [Link to Accelerated Learning Toolkit](#).

**Needs Assessment:** In this section, LEAs are asked to describe the impact of the pandemic on their

students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

### Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Social and Emotional Learning, (2) Professional Development needs to support Social and Emotional Learning, (3) Reading Remediation and Improvement for Students, and (4) Other areas of Learning Loss?

	<b>Method used to Understand Each Type of Impact</b>
<b>Social and Emotional Learning</b>	Focus groups were conducted with students in all grade levels to gauge the degree of need for students. Data tracking included attendance, behavioral referrals, academic progress, and SAP data.
<b>Professional Development for Social and Emotional Learning</b>	The professional development committee meets bi-annually (minimally) to recommend professional development programming. A staff survey is used to determine the needs and preferences of the staff.
<b>Reading Remediation and Improvement for Students</b>	An ELA task force was assembled to consider current curriculum, programming, and student needs.
<b>Other Learning Loss</b>	Data team meetings occur at least once per month at all levels. Grade level, team, and department meetings are regularly scheduled throughout the school year to identify needs and collaborate to provide supports for teachers and students.

### Documenting Disproportionate Impacts

2. Identify the student groups in the LEA that faced particularly significant impacts from the pandemic in the areas of Social and Emotional Learning, Reading Remediation and Improvement, or any other areas of learning loss that the LEA will address with this funding source. For each, provide specific strategies that were used or will be used to identify and measure impacts.

<b>Student Group</b>	<b>Area of Impact</b>	<b>Provide specific strategies that were used or will be used to identify and measure impacts</b>
		Attendance incentives, school-

Student Group	Area of Impact	Provide specific strategies that were used or will be used to identify and measure impacts
Children from Low-Income Families	Social and Emotional Learning	wide positive behavior support training and plans, staff training in SEL and culturally responsive teaching
Children from Low-Income Families	Other Areas of Learning Loss	Universal screening, learning inventories, pre-assessments, differentiated instruction
English Learners	Reading Remediation and Improvement	Universal screening, pre-assessments, differentiated instruction, transportation for summer reading program
English Learners	Social and Emotional Learning	Attendance incentives, school-wide positive behavior support training and plans, staff training in SEL and culturally responsive teaching

**Section: Narratives - Learning Loss Program Questions**

**Learning Loss Program Questions:** In this section, LEAs are asked to describe the activities they have designed to support accelerated learning to combat learning loss caused by the COVID-19 pandemic for their students. Please use the following link to ensure that your calculated values below are equal to the values published on PDE's website. The file contains your LEA's MINIMUM required reserves for Learning Loss to address SEL, SEL PD, and Reading Improvement. [Click to download reserve amounts.](#)

\*LEA's can choose to spend MORE than the minimum required reserves for Learning Loss. Those values will be entered in the budget sections.

**Section 3a – Social and Emotional Learning:** As schools across the Commonwealth return to school, LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM of THIRTY PERCENT (30%)** of funding available through this grant application to support the Social and Emotional Learning of their students. In this section, LEAs are asked to describe the activities they have designed to address these needs. Please reference the SEL framework to assist in developing this plan.

3. Calculate 30% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning. *(Calculation will populate when you click the Save button)*
  - *This value will be needed in the corresponding budget section.*

	Total LEA Allocation	Multiply by 30% (.30)	Minimum Allocation for SEL
<b>Minimum 30% SEL Requirement</b>	160,617	30%	48,185

4. Describe the data sources the LEA is using to identify social and emotional needs of students and identify areas of strength and concerns in the learning environment.

Focus groups were conducted with students in all grade levels to gauge the degree of need for students. Data tracking included attendance, behavioral referrals, academic progress, and SAP data.

5. Program/Activities – Please describe the planned program activities and identify the type of activity and the number of students to be served by that activity.

Program Activity	Student Group	Type (Universal, Targeted, Intensive)	Number of Students Served
Chill Rooms	Children with Disabilities	Universal	400
Establish Middle School Clubs and Activities	Children from Low-Income Families	Universal	1,000

6. How will the LEA assess the success of the SEL program? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
student, staff, and parent feedback	anually	90-95% approval

**Section 3b – Social and Emotional Learning Professional Development:** LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM OF TEN PERCENT (10%)** of funding available through this grant application to support professional development activities and technical assistance for educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students. In this section, LEAs are asked to describe the activities they have designed to address these needs.

7. Calculate 10% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning Professional Development. *(Calculation will populate when you click the Save button)*

- *This value will be needed in the corresponding budget section.*

	Total LEA Allocation	Multiply by 10% (.10)	Minimum Allocation for SEL PD

8. Describe the planned professional development activities and how the activity will ensure that teachers/staff are equipped with training/support on the following:

- a. Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;
- b. Identifying signs of possible mental health issues and providing culturally relevant support;
- c. Motivating students that have been disengaged;
- d. Mentoring students who have attendance issues before it becomes a pattern;
- e. Self-care and mindfulness strategies for teachers;
- f. Engaging and communicating effectively with parents;

**Section 3c - Reading Improvement for Students:**

LEA allocations in Reading improvement should be used to increase the best practice in the implementation of research-based reading instruction and acceleration. As schools are planning the most effective use for this 8% set aside for reading instruction and acceleration, they should contemplate the use of structured literacy (also known as Science of Literacy) to develop reading instruction and remediation. Please reference the Structured Literacy framework to assist in developing this plan [LINK NEEDED](#)

LEAs are required to utilize **A MINIMUM of EIGHT PERCENT (8%)** of their ARP-ESSER allocation for

research-based reading instruction. In this section, describe the course of action to remediate and improve reading gaps through research-based practices.

10. Calculate 8% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Reading Improvement for Students. (Calculation will populate when you click the Save button)

- This value will be needed in the corresponding budget section.

	Total LEA Allocation	Multiply by 8% (.08)	Minimum Allocation for Reading Improvement
<b>Minimum 8% Reading Improvement Requirement</b>	160,617	8%	12,849

11. What local assessments were used to determine the need to address learning loss in the area of reading? For which specific groups of students was this need evidenced? What were the findings?

universal screening (STAR, iReady, Really Great Reading) identified learning loss for students with disabilities, English Learners, and those struggling with reading

12. Does your data indicate that at-risk readers are making at least a year's worth of growth or more in one school year? \*Please consider both state PVAAS data and local assessment data

No

Please explain:

Due to the varying formats for delivering instruction, students did not show the same growth as in past year.

13. Has the LEA used structured literacy and/or provided training for K-4, ESL, and Special Education teachers in structured literacy?

Yes

If so, please identify the training, grade level, and number of teachers involved.

Training	Grade Level / ESL / Special Education	Number of Teachers Trained
LETRS	K-5/Reading Specialist/Special Education/RtII	37

14. Describe the evidence-based instructional intervention(s) that address the identified needs of students most disproportionately impacted.
